

# Edwin Watts Southwind Park Project

## Let's Build this Park!

The Southwind Park vision will be primarily funded and built by cooperative partnerships, private donors, and corporate sponsors. The park's legacy program is a wonderful way to honor or remember someone special, or to begin or continue a family, business, club or special group legacy that will last a lifetime...please consider being a donor.

Take this opportunity and join our team as we set a new precedent to the meaning  
**"Without Boundaries!"**

### The Legacy Wall

A permanent stone wall will be a prominent and attractive park feature and donors at the \$1,000 and above level will be acknowledged with their name engraved on the Edwin Watts Southwind Park's Legacy Wall.

### Park Foundations

Personalized walkway pavers, park benches, picnic tables and trees throughout the 80 acre park can be donated for \$200.

Ride with the wind and financially support building a lasting legacy as we create Springfield's newest destination, Southwind Park!

Financial donations are made to the Springfield Parks Foundation (SPF) Edwin Watts Southwind Park Project. Donations are tax deductible to the extent allowed by law.

Springfield Park District, Edwin Watts Southwind Park Project, 2500 South 11<sup>th</sup> Street, Springfield, Illinois, 62703.

If you have any questions or comments please contact the Springfield Park district office at 217-544-1751.
